Not Present: Janet L Tareilo

The committee discussed the return of the recommended ASL and DHH course fees in lieu of the new courses being approved. HMS 418 needed additional itemization for a course fee. HMS 512, 523, 5245, and 525 were not approved because of the justification presented that these fees would circumvent the cost of a textbook. Course fees for HMS 312 and 316 were not approved. RHB 400 saw a greater increase of a fee request due to the ending of a grant that previously paid for travel.

In reviewing the course proposals, HSC 478 was sent back, HSC 385 was approved, and KIN 335 still remains as a discussion piece. A meeting is scheduled between HMS Director and KIN Chair to discuss the issue of similarities with the HMS 335 and KIN 429 classes. Course modifications were also reviewed and approved or returned for revisions.

The next meeting is scheduled for October 13, 2015.
