Comments:

Highlight/Reinforce current collaborations among programs and departments

Just leave me alone to do my job.

All would like these kinds of opportunities but are overwhelmed with "other" stuff

These are all great tools for connection. We should be doing them all.

The structure should include compensation.

Service agencies are vital and should be included on this list.

The faculty and student connection is more important than all of the listed options. A culture of faculty and student teamwork should be the primary focus.
