

Online Mental Health Training

Completion of the online mental health course is a mandatory requirement of clinical teaching. Please allow approximately one hour to complete the training. Below you will find explicit guidelines for accessing and completing online mental health training. When you are finished, be sure and print the certificate of completion and upload into your LiveText Field Experience Module (FEM).

- 1) Access the website here: <https://texas.kognito.com/>
- 2) You must set up an account. Follow the step-by-step instructions. There is no fee for the course.

3) Select the role of “K-12 personnel, teachers in training.”

Choose your Training POV...

- University or College Faculty/Staff
- University or College Students/RA
- ✓ K-12 School Personnel/Teachers in Training

By clicking "Next Step" you are agreeing to the **Terms of Use**

4) Once you are signed up, then you must log in to get started with the training.

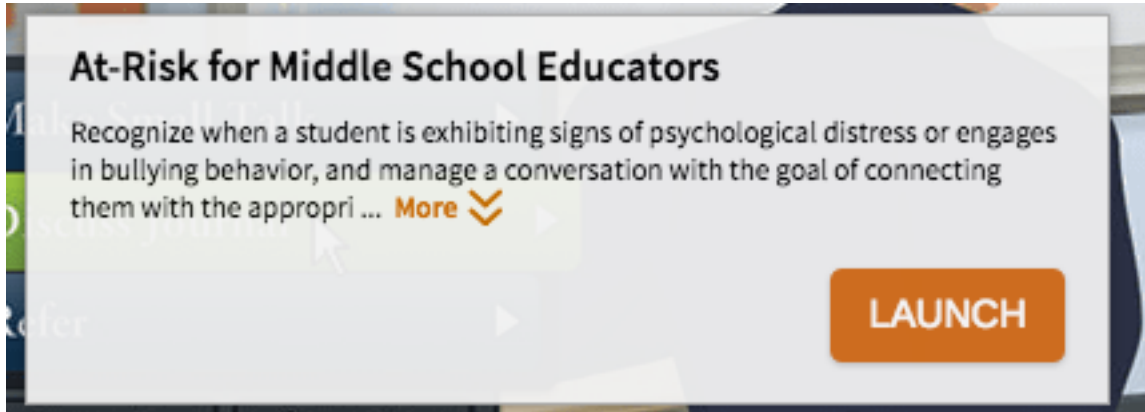

5) You must choose a course. All EC-6 students choose “at-risk for Elementary School”, all MLG 4-8 students choose “at risk for Middle School”, and all 9th-12th students choose “at-risk for High School”.

6) You will likely have to disable pop-up blockers to watch the videos.

7) Once you have chosen your course, then select the “launch” button to get started.

8) A survey will pop-up and you must complete this survey before the training video will play.

Exit Survey

Dear Teacher, Staff Member, or Administrator

This short survey has been designed to assist your school in learning about the needs of its community, and to further improve this program.

Your participation in this survey is voluntary. There will be no negative consequences to you if you decide not to participate. All of your identifying information and answers are confidential. Your results will be combined with responses from other survey participants and may be presented at scientific or medical meetings or published in scientific journals. By submitting your answers to this survey, you are agreeing that you have read and understand the nature and consequences of participation.

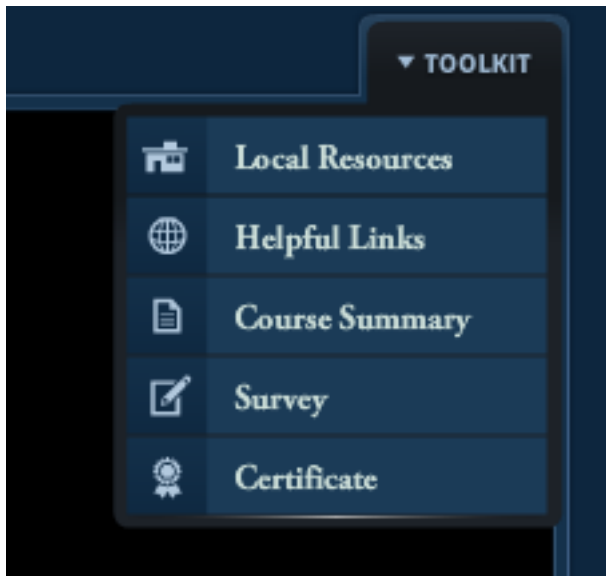

Thank you for your participation.

1. How would you rate your preparedness to:

	Very Low	Low	Medium	High	Very High
Recognize when a student's behavior is a sign of psychological distress.	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Recognize when a student's physical appearance is a sign of psychological distress.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Discuss with a student your concern about the signs of psychological distress they are exhibiting.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Motivate a student exhibiting signs of psychological distress to seek help.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

9) Begin the training video.

10) Once the video is complete, you must complete the survey under the toolkit tab.

11) Once you have completed the survey, go back to the tool kit tab and select certificate.

12) Download your certificate and be sure to upload it to Live Text Field Experience Module (FEM).

This is a mandatory requirement for passing student teaching. No exceptions. If you are experiencing difficulty, contact your field supervisor.

The training completion certificate upload must be completed by the second week of the student teaching semester or a grade of F will be recorded for student teaching.
