

# Perkins College of Education COMMITTEE PROGRESS REPORT

Committee: Clinical Practice and Field Experience Committee  
Date Submitted: April 30, 2015

Submitted By: Jannah Nerren

Semester: fall and spring Year: 2014-2015

## Report of Activities

### **2014-2015 Goals:**

Collaborate to improve the quality of field experiences and clinical practice through strengthening communication, professional development, placement options, and collection and sharing of data.

### **Summary of Accomplishments/Activities completed :**

Planned a mentor teacher workshop for area classroom teachers to be held June 10<sup>th</sup>.

Increased the schools available for clinical practice.

Increased the number of field supervisors for clinical practice.

Researched and began the discussion to reconsider the co-teaching model for clinical practice.

Reviewed the clinical practice handbooks.

### **Recommendations for Action for next year:**

- Establish two sub-committees within the committee: one geared toward Professional Preparation Programs (PPPs) and one geared toward the Educator Preparation Program (EPP).
