Clinical Practice / Student Teaching

Teacher candidates will participate in student teaching during the final semester of their degree/certification program. **This requires the student to be available during normal public school hours.** In rare instances, an additional course that occurs during the school day will be approved. This is only as a result of unusual extenuating circumstances. Additionally, teacher candidates must pass the TExES content area examination and pass a criminal history check prior to student teaching.

The student listed above is requesting to attend course _____
Course Number Section CRN

during the regular student teaching day for this reason: _____

 Advisor Signature

 Date

 Student Signature

 Date

Student is permitted to attend course during normal public school hours.

Student is not permitted to attend course during normal public school hours.
